*The latest scoop from  
Wall Street and the region*

■ Don't feast on **Krispy Kreme's** cheapness of late. Though the stock trades for around \$7—much lower than its all-time high of \$49—the gentlemen at Ventura-based West Coast Asset Management warn investors to stay away, and they're not talking about the donuts. The firm said in its latest market newsletter that Krispy Kreme might be headed for bankruptcy.
